The T-RRIBLE is back in a new special Christmas adventure. A naughty T-RRIBLE wants to ruin Christmas! He has stolen both Father Christmas Nice List and Naughty List! What is going to happen? Will Oliver and The T-RRIBLE save the day? It is the lighter version of The T-RRIBLE 2 for the older 6-9. With his new book The mini T-RRIBLE 2, children s author J.N. PAQUET, as in his previous children s books, has created yet another very special story which stimulates the children to engage with their own imagination and have an enjoyable reading experience, both with their parents, teacher or educator and on their own. Its educational aim is to drive the fun-learning and the reading comprehension through an extraordinary story. Among other moral values, the story promotes team working and friendship, explains how important it is to accept and embrace our own differences as well as the others , and most importantly teaches about redemption and forgiveness. The colourful handmade illustrations, all created and painted by the author himself, open the children to his colourful new world where they will, episode after episode, get to meet some funny little creatures, visit their lands and kingdoms, and discover their honey trees secret. Although it was written for all children aged 3-6, it has a special appeal to the children living in bilingual families. Learning from each other and accepting one another is all that is needed to build a better world. right here, on Earth!.
