BETWEEN FLIGHTS: PERSEVERING WITH OPTIMISM THROUGH LIFE S TRAUMAS (PAPERBACK)

Dunham Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Between Flights is the personal memoir of Sigourney Woods Cheek, written shortly before her death to cancer in 2010. Sigggy was a much-loved friend to many in the Nashville community and even internationally. She became a published author late in life after she was diagnosed with cancer, and her book, Patient Sigggy, provided hope and healing to many, including the over 1,000 cyberspace friends she made during her battle with cancer. In her last years of battling the insidious form of leukemia known as Richter s Syndrome, she was more robust and engaged in life than ever as Patient Sigggy. These challenging last years of her life took her writing to a new level as reflected in her book, Patient Sigggy, which went through three printings, carrying her hope and healing to thousands of others. Sigourney earned a bachelor s degree in art history from Manhattanville College and studied on the graduate level at Vanderbilt University. Active for many years in the Nashville...
