Reviews

The best publication i actually study. We have study and that i am certain that i will likely to study once more again later on. Your daily life span will likely be transform the instant you total reading this book.
(Mrs. Alene Leffler DVM)

MINING THE PAST (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Description, Mining the Past In the late summer of 1977 the author headed for the Wyoming prairie to try to find Big Muddy, the seemingly magical coal mining camp where her grandmother and her family had lived in the early 1900 s. Her first obstacle had been finding out that her grandmother wasn t well enough to travel with her. Susan decided to go anyway, armed only with her grandmother s vague directions and the name of a coal mine no one except her family seemed to think existed. Road maps drew a blank, and there was no GPS or Google in those days for information. Mining the Past tells the story of the author s quest to find the mining camp, intertwined with her grandmother and great aunt s tales about the adventurous years spent there. Tales about the band of Ute Indians visiting the camp, cowboys carousing on a Saturday night, an accidental shooting and everyday life in a mining camp. Research in the Casper, Wyoming, library turned up surprising facts about the mine and the times. In newspaper accounts and pioneer records Susan began to learn the truth about some incidents and examine the slippery, sometimes elusive relationship between memory, truth, and fact. Many years after the trip, as the author attempted to piece together all of the stories, the research and the memories, she came to realize that this was her story as much as it was her Grandmother s. She reflects on her grandmother s influence on her life, their relationship, and their dual emotional investment in telling the stories. This memoir will provide readers with entertaining tales and history, but also a fresh appreciation for family...
