

How Sixth Grade Works: Tips from the Teacher

By David Harstad

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sixth grade is your year! It s time to put good use to all those years of show-and-tell, playing in the sandbox, and tasting crayons. You already know what to do, now get a little inside teacher information from the guy who calls a dead shark hanging on the wall the class pet. This realistic, family book answers common sixth-grade questions and describes how teachers operate their classrooms. It explains why things happen and how teachers think. Most of all, it is designed to improve self-reliance and promote your future success. Writing - Impress your teacher the first day of school with the perfect paragraph. Use a topic sentence. At least six words per sentence. At least six sentences per paragraph. No crime, violence, gore, or fluff (i.e. The End or I hoped you liked my essay.) Why can t we do more fun stuff? That s the same question teachers ask each day! Here is the main reason, as you read about ancient Egyptians, wondering if they ever had water fights building those pyramids in the...
