A Highly Unlikely Scenario: Or, a Neetsa Pizza Employee's Guide to Saving the World

By Rachel Cantor

Melville House Publishing, United States, 2014. Paperback. Book Condition: New. Original. 188 x 140 mm. Language: English . Brand New Book. In the not-too-distant future, competing giant fast food factions rule the world. Leonard works for Neetsa Pizza, the Pythagorean pizza chain, in a lonely but highly surveilled home office, answering calls on his complaints hotline. It's a boring job, but he likes it - there's a set answer for every scenario, and he never has to leave the house. Except then he starts getting calls from Marco, who claims to be a 13th-century explorer just returned from Cathay. And what do you say to a caller like that? Plus, Neetsa Pizza doesn't like it when you go off script. Meanwhile, Leonard's sister keeps disappearing on secret missions with her book club, leaving him to take care of his nephew, which means Leonard has to go outside. And outside is where the trouble starts.

Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
