Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ESSENTIALS OF ECONOMICS (HARDBACK)

McGraw-Hill Education - Europe, United States, 2013. Hardback. Condition: New. 3rd edition. Language: English . Brand New Book. Building on the tremendous success of their best-selling Economics, Brue, McConnell, and Flynn have revised their one-semester approach in Essentials of Economics, 3e to provide a fresh alternative for the survey course. The result is a patient, substantive treatment of micro and macro topics appropriate for the introductory economics student, and fully integrated in the digital environment to provide instant remediation and feedback through McGraw-Hill's innovative assessment tool Connect Plus Economics. McGraw-Hill's adaptive learning component, LearnSmart, provides assignable modules that help students master core concepts in the course. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.
