Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Popular Proverbs: False and True Among the strongest influences for good or for evil in a nation's life are popular proverbs. They come, backed by the authority of the multitudes; and that which everybody says we instinctively accept as true. There is a natural tendency among all nations to make these compact and pithy sayings, these rugged maxims hewn from life, and then to accept and believe them unquestioningly. They are supposed to be compressed summaries of practical Wisdom, pure condensations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
