Growth shares Energy Guidance Complete information in the form of wisdom poetry. A wisdom poem is a poem that is dictated directly from Spiritual Presence. Each poem shares/provides/shouts a message. Each message can lead to connection and balance. This collection of wisdom poetry provides insights into growth that is physical, emotional, and spiritual. Growth is a continuous process, from beginning to end. The path is never direct, and there are always opportunities for distraction. The distractions can stunt or twist the growth, and these changes can be negative or positive. Actions taken after stunted or twisted growth determine the progress. Understanding growth helps with understanding the world in which we live.
