iUniverse, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Joshi and Joey are brothers who love imaginary adventures more than anything in the world. Now as their scientist parents conduct research in a famous museum, the brothers get to live in an enormous model of a big blue whale that resides next to the ceiling. The boys love exploring the museum and all its exhibits, especially at night when they can let their imaginations run wild. During a busy day in the museum, Joshi and Joey see a boy who looks sad and lonely. After they meet Tom, they learn he loves video games but dislikes running and playing tag like his classmates. After the boys decide to lead Tom and his sister, Kathy, through the museum to teach them about nutrition and health, they stumble across a crate that holds a mysterious globe and a plea for help from an alien scientist desperate to save a distant planet from annihilation. As the four youngsters embark on an extraterrestrial adventure, now only time will tell if their creative ideas will help save the planet and teach Tom about the value of healthy living. In this delightful tale of adventure, four young friends learn the importance of good nutrition while attempting to prevent the destruction of a distant planet.
