

The Sin of Abbé Mouret

Filesize: 6.06 MB

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
(Kaya Rippin)

Oxford University Press Mrz 2017, 2017. Taschenbuch. Condition: Neu. Neuware - 'I really don't understand how people can blame a priest so much, when he strays from the path.' Serge Mouret, is an obsessively devout priest, aspiring to perfect purity and sanctity. A serious illness leaves him with amnesia, and no longer knowing he is a priest, he falls in love with his nurse Albine. Together they roam an Eden-like garden called the 'Paradou', seeking a forbidden tree, beneath whose boughs they make love. Anguish follows, as the abbé regains his memory and returns to the church. In this, the fifth novel in the Rougon-Macquart series, Zola concentrates on the conflict between church and nature; celibacy and sexuality. The Sin of Abbé Mouret is Zola's version of the Fall of Man and has many biblical parallels. The novel stands out among the author's work for its lyricism and the extravagant beauty of the descriptions. The edition includes a wide-ranging introduction and useful historical notes. 352 pp. Englisch.
