FORCED REACTION

Brand New Book ***** Print on Demand *****.When Luke won the United States National Lottery, it was the luckiest day of his life, but he soon realized that fellow winners were dying off in a series of unrelated accidents. When he finds himself targeted for extermination, he uncovers a trail of corruption that leads all the way to the White House. Hang onto your seat and take a ride across the country as Luke and his cohorts attempt to save themselves while preventing the collapse of the entire US economy. Luke Monroe was just an ordinary, hardworking IT Project Manager. Like countless others before him, he was faced with reluctantly celebrating his fortieth birthday. He was a man of high integrity and was well liked by his peers who together planned a surprise birthday dinner. Among the gifts he received was a United States National Lottery ticket. A few years earlier this program was created and backed by the United States Government as a means to create additional income to support the President s America for All agenda. Luke soon learns that he was the sole winner and that he would receive five million dollars every year for the rest of his life. He felt like the luckiest man alive. Now that he d realized that he was a target, he knew that it was up to him alone to save himself and the woman he loves. Facing danger at every turn, Luke, along with a catalog of technology and firepower, outwits and outruns the assassins while launching his own plan to take them down.
