Reviews

Comprehensive information for book lovers. This is for all who stutte that there had not been a worth studying. Its been printed in an remarkably simple way which is simply following i finished reading through this pdf where actually modified me, change the way i think. (Rebekah Smith)

LOUIS XII ET LUDOVIC SFORZA, VOL. 1: 8 AVRIL 1198 23 JUILLET 1500 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Louis XII Et Ludovic Sforza, Vol. 1: 8 Avril 1198 23 Juillet 1500 L histoire de la conquete du Milanais n a guere ete faite encore qu avec de mediocres documents; presque tous ses narrateurs se sont bornes a suivre la tradition des chroniqueurs contemporains, souvent mal renseignes et inexacts. Or les elements d une connaissance plus precise, plus approfondie de cette histoire nous viennent de ceux-la memes, etats et souverains, hommes de guerre, hommes d etat, diplomates. qui l ont faite ou qui l ont vu faire. Les archives italiennes du XVIe siecle ont conserve les traces authentiques de leurs actes, les documents les plus surs et les plus precis sur leur vie, leur role politique et leur caractere. Elles fournissent, depuis le milieu du XVe siecle jusqu a la fin du XVIe, a l histoire de la diplomatie francaise et italienne, alors partie si importante de l histoire generale, les materiaux les plus solides de ses constructions theoriques et de ses analyses, aussi necessaires a qui voudrait systematiser les regles encore mal connues de la diplomatie que pour suivre dans la moindre negociation le plus humble secretaire de la plus petite cour italienne. L etude de ces documents doit, me semble-t-il, devenir l objet primordial des historiens de la diplomatie franco-italienne: il faut on substituer les donnees aux assertions plus ou moins verifiai des des chroniqueurs et des annalistes, aux raisonnements trop souvent subtils et vagues des theoriciens politiques du Seicento. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
