

Make Your Own Hats (Paperback)

By Gene Allen Martin

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Make Your Own Hats is a classic arts and crafts book by Gene Allen Martin. Hat-making is an art which may be acquired by any one possessing patience and ordinary ability. To make a hat for the trade is not as difficult as to make one for an individual; neither is it so high a phase of art. Many rules are given for crown-height, brim-width, and color, as being suited to different types of faces, but they are so often misleading that it seems best to consider only a few, since the becomingness of a hat almost invariably depends upon minor characteristics of the individual for which there are no rules.
