Globalized Supply Chains and U.S.  
Policy: January 27, 2010 - R40167

Congressional Research Service: The  
Library of Congress, Dick K. Nanto

Bibliogov, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In the globalized world of business, production is becoming fragmented into discrete activities and can be spread geographically within and across national borders while remaining integrated organizationally within a multinational company or network of companies. Such globalized production networks are called supply chains or value-added networks. This world of supply chains raises both challenges and opportunities for U.S. policymakers, firms, and workers....
