Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This guide is for job seekers who are at their wits end when it comes to looking for work. They can now find hope in the virtual world of employment, where they can use their skills to earn money from the comfort of home working for an online employer. The guide gives you details into the online world of employment, and lays out a step by step plan to prepare you for the job search, what it means to be virtually employed, and how to craft a resume and write a winning cover letter to land the job of your dreams online. Soon you could be working from the comfort of your home without having to worry about long commutes to an office, or having to follow a specific dress code. Your commute can be as close as your home office and you can work in your pajamas. The guide details how to develop a success mindset and how to conduct yourself in virtual interviews. It also gives you tips on time management, looking for virtual employment, branding and building your reputation in the online world. It even gives you the top 10 virtual jobs that are making the most money. It provides you with information on how to choose your workspace, and making the best decision possible on locating an area that you feel comfortable working in in your home. It also includes information on the electronic economy and the possible future of the virtual job market, along with other pertinent information that you need to make the decision and transition into virtual work. This ebook is packed with useful information for the job seeker and is...
