

The 18inch Principle: The Long Journey to the Heart of Missions (Paperback)

By Mike Burnard

AUTHORHOUSE, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.-This book does not provide neutral ground. Once you ve read it, you either hate it and reject it, or you love and embrace it. The 18 Inch Principle confronts us with a U-turn in the field of missions. Church and missions are not two separate realities: missions is constitutive to the Church. The very existence of the Church is missional. However, for Mike Burnard, mission is not entertainment, religious tourism, professional speeches, or philanthropic projects. Drawing from Biblical principles and a long experience with the persecuted Church, Mike argues convincingly that mission is both the embodiment of the Gospel in the life of every true believer and a clear proclamation of the Gospel to a lost world. Willingness to endure persecution, suffering and martyrdom for the Gospel is the genuine mark of Biblical mission.- Paul Negrut (PhD), Professor of Theology, Emanuel University of Oradea, Romania and Pastor of the Emanuel Baptist Church of Oradea, Romania -I have finally finished reading the 18 Inch Principle. WOW! What an amazing, truthful book. I just wish every Christian could get their hands on a copy!...
