Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Young Folks History of Russia It has been well said by a recent author that the aim of all the great reforms made in Russia since Peter the Great has been to undo what he did or tried to do. That struggle is still going on, and with such throes that it sometimes seems as though the building itself must fall in ruins. The history of modern Russia is the history of a transition, and must needs be unfinished until the transition is complete. The death of an emperor or the execution of an assassin is not the end of an epoch. In a book for young people a long list of authorities may be spared; it is sufficient to state that the facts have been drawn from the best sources, - Russian, German, French, and English. In the first part Russian names have been done away with English equivalents take their places. A table follows for convenience. In all cases difficult words are avoided so far as possible, and it is hoped that this Young Folks History of Russia is at least readable. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
