Brand New Book ***** Print on Demand *****.Too often people are moved into a management role without the aid of a mentor as well as little or no personal experience. This text allows them to reference some personal history as well as a bold look at the challenges that they will be facing as they marture in their new found profession. It has been prepared with a wry sense of humor and with the intention of giving the reader an elevated level of expectation as to what they will be exposed to as a manager.
