Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ski resorts are supposed to be relaxing, and fun for any kid, right? But not for Scout. That is because he is the one with the elephant living in his backyard named Ellie. Actually, nothing in his life is ever normal.To begin with, Scout s family is a circus and he is the main clown. Talk about weird. Then add to that an elephant with her own convertible car, cottage, and personality to match her size. She has a way of getting Scout into the craziest escapades. The Ski Resort turns out to be not just crazy, but wildly dangerous with Ellie as his circus act partner. The Scout and Ellie series is designed for children seven to ten years old who love to laugh. It is full of wild escapades led by an elephant who gets Scout to do some downright fun things. She is lovable, charismatic, and playful. Everyone needs an Ellie in their life.
