Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Random House Publishing Group, United States, 2003. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. From The Sisterhood, Michael Palmer s first New York Times bestseller, to The Patient, his ninth, reviewers have proclaimed him a master of medical suspense. Recognized around the world for original, topical, nail-biting suspense, emergency physician Palmer swork has been translated into more than thirty-five languages. Now he reaches controversial and startling new heights in a terrifying tale of cutting-edge microbiology, unbridled greed, and murder, where either knowing too little or trusting too much can be FATAL. In Chicago, a pregnant cafeteria worker suffering nothing more malevolent than flulike symptoms begins hemorrhaging from every part of her body. In Boston, a brilliant musician, her face disfigured by an unknown disease, rapidly descends into a lethal paranoia. In Belinda, West Virginia, a miner suddenly goes berserk, causing a cave-in that kills two of his co-workers. Finding the link between these events could prove FATAL. Five years ago, internist and emergency specialist Matt Rutledge returned to his West Virginia home to marry his high-school sweetheart and open a practice. He also had a score to settle. His father died while working for the Belinda Coal and Coke Company, and Matt swore to expose the mine s health and safety violations. When his beloved Ginny succumbed to an unusual cancer, his campaign became even more bitterly personal. Now Matt has identified two bizarre cases of what he has dubbed the Belinda Syndrome--caused, he is certain, by the mine s careless disposal of toxic chemicals. All he needs is proof. Meanwhile, two women, unknown to one another, are drawn inexorably to Belinda, into Matt s life--and into mortal danger. Massachusetts coroner Nikki Solari comes to attend the funeral of her roommate, killed violently...
