

Peoplepack Dynamics: Unleash the Natural Energy of People and Teams (Paperback)

By Deb St John

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Revolutionize the way your organization comes together to achieve results with this cutting-edge system for business communication, team building, and personal growth. PeoplePack Dynamics explains how people of different energy types-Driving, Unifying and Helping-naturally work together to maximize communication and team performance. This groundbreaking approach to interpersonal relations promotes more effective collaboration, increases engagement, and enhances productivity. The PeoplePack Dynamics framework includes three energy categories, nine archetypes, and the primal pack insight for individual and team transformation. Through real-life examples pulled from corporate consulting and leadership coaching experiences, you II discover how to employ these techniques and frameworks in your organization for powerful results. Before humans had language, we ran in packs and communicated through a combination of energy and body language. This energetic exchange remains a powerful undercurrent in ALL interactions. PeoplePack Dynamics is the only communication framework that is built to understand this base layer of energy. Now, you can learn to recognize these inherent energy patterns in communication, leveraging them to the greatest effect, and guiding people toward success in achieving common goals. -----

Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe. -- Dr. Alberta Schmidt V

The book is great and fantastic. It is rally exciting throgh reading time period. I am pleased to let you know that this is basically the greatest ebook i actually have go through inside my very own life and may be he best book for possibly. -- **Mr. Hyman Ankunding DDS**
