Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s a book! It s a game! It s both! Scenes from the Nerdiverse is a love song to all things geeky and magnificent and weird and nerdy. It s a one-shot comic about killer robots. It s a short story about gaming. It s a gamebook about a plague on the moon. It s tales of fantasy and Anime and Superheroes. It s poetry about science and pirates and flying and guilds. It s a mixture of multiple genres and creative layouts working together to form a single, cohesive unit. There s a bit about a cat. Scenes from the Nerdiverse is like nothing you ve encountered before. And this is only Volume 1.
