

Children s World Atlas (Paperback)

By Malcolm Watson

Miles Kelly Publishing Ltd, United Kingdom, 2017. Paperback. Condition: New. New. Language: English . Brand New Book. Children aged 10+ can explore the world with this modern, educational atlas. Each continent and country is illustrated with a full-colour physical map, annotated with capitals, towns, oceans, rivers and mountains. Each continent and country section contains up-to-date statistics, including population and area. To pinpoint each country s position in the world, every page shows the maps in situ on a locator globe. Search and find panels list capital cities and their grid references, providing an interactive tool that will teach readers to locate features on maps using a graticule. Information is presented in a colourful, easy-to-access format and every page is bursting with photographs and features.
