THE WINTER COUNT

McGill-Queen's University Press. Paperback Book Condition: new. BRAND NEW, The Winter Count, Dilys Leman, Defenders of the "business-as-usual" approach reject climate action as too costly and in conflict with economic growth, while downplaying the severity of climate change. Supporters of ecological modernization, or "green growth," on the other hand, aim to use technology and efficiency to delink economic expansion from emissions and find business opportunities through environmental action. While mainstream debate has focused on these two pro-growth models, Hayden pays...

Reviews

This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who statted there was not a really worth studying. You are going to like the way the blogger publishes this publication.
