To the ladies of the adult film industry of the 1970s and 80s, John Holmes was a polyester smoothie; a real charmer, a silver tongued devil and a thief of hearts. But behind the scenes, John was a little boy in a man s body who used sex and drugs and alcohol to fill the void that had been empty all of his life; someone to love and someone to love him. He tought he d finally found true love in a young girl named Dawn, and she eventually moved in with Holmes and his sympathetic wife, Sharon, though drugs soon changed the dynamic to erratic behavior: Holmes beat and prostituted Schiller before she fled, and he became entangled in the so-called Wonderland murders of 1981. **A POLYESTER SMOOTHIE** examines John Holmes life from **BEHIND** the scenes, without all of the hoopla that led to him being hailed as the King of Porn. As one former porn fan so eloquently put it, I say to the porn world, and all the people who idolize him, you re idolizing this person who was horrid, and if you re going to have a hero, get someone else.
