Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It matters not to relate how or when I became a denizen of Dreamthorp; it will be sufficient to say that I am not a born native, but that I came to reside in it a good while ago now. The several towns and villages in which, in my time, I have pitched a tent did not please, for one obscure reason or another; this one was too large, t other too small; but when, on a summer evening about the hour of eight, I first beheld Dreamthorp, with its westward-looking windows painted by sunset, its children playing in the single straggling street, the mothers knitting at the open doors, the fathers standing about in long white blouses, chatting or smoking; the great tower of the ruined castle rising high into the rosy air, with a whole troop of swallows-by distance made as small as gnats-skimming about its rents and fissures;-when I first beheld all this, I felt instinctively that my knapsack might be taken off my shoulders, that my tired feet might wander no more, that at last, on the planet, I had found a home.
