By Al Machiela

Wipf Stock Publishers, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With Uplifted Head: Preaching Hope is a book that exalts Christ by giving insight into the biblical teaching about hope. The book also shows interested readers how to preach in a way that will foster hope among members of their congregations. Because the book is designed for both pastors and lay church leaders, it does more than just present a theological understanding of biblical hope. It also has plenty of suggestions for preaching hope directly and indirectly. The authors maintain that only biblical hope, focused on the resurrection and affirmed by the renewing Holy Spirit, can change believers internally and create anticipation for a future in the presence of the living God. Combining a deep reading of Scripture, intelligent reflection, and a wide-ranging wisdom, Machiela s work is a gift to the church and her ministers. --Rev. Cornelius Plantinga, Jr., President and Charles W. Colson Professor of Theology, Calvin Theological Seminary With Uplifted Head is an all-too-rare book. It combines a warm heart with careful theological direction and thus powerfully sets before the people of God a biblical theme almost entirely...
