Food, Drink and Identity: Cooking, Eating and Drinking in Europe Since the Middle Ages (Paperback)

By -

Bloomsbury Publishing PLC, United Kingdom, 2001. Paperback. Condition: New. Revised. Language: English . Brand New Book ***** Print on Demand *****.Food and drink have provided fascinating insights into cultural patterns in consumer societies. There is an intimate relationship between food and identity but processes of identity formation through food are far from clear. This book adds a new perspective to the existing body of scholarship by addressing pivotal questions: is food central or marginal to identity construction? Does food equally matter for all group(ing)s? Why would, in peoples experience, food become especially important at one moment, or, on the contrary, lose its significance?The origin of food habits is also interrogated. Contributors investigate how, when, why and by whom cooking, eating and drinking were used as a means of distinction. Leading historians and sociologists look at concepts of authenticity, adjustment, invention and import, as well as food signs and codes, and why they have been accepted or rejected. They examine a wide range of periods and topics: the elderly, alcohol and identity in Early Modern Europe; food riots and national identity; noble families, eating and drinking in eighteenth-century Spain; consumption and the working class in the nineteenth century; commensality; the meaning...
