Gill, Ireland, 2017. Hardback. Condition: New. Language: English . Brand New Book. ` Mrs Byrne, you ve a beautiful, very pale, ginger-haired baby boy with a wonky eye. As she was handed me by the midwife, my mother wept for all the wrong reasons. She could have shagged a platypus and I still would have come out better than this. So begins Jason Byrne s Adventures of a Wonky-Eyed Boy, a laugh-out-loud memoir that captures the childhood adventures of an accident-prone youngster in 1970s and 1980s suburban Dublin. It was a time when your brother persuaded you to eat the grease behind the cooker by telling you it was caramel, your house was blown up by lightning, your dad mixed up the toothpaste and the `arse-cream , and you fell asleep on Sunday nights to the sound of one of the neighbours - who were all named Paddy - drunkenly singing `Magic Moments in the good front room. All of this while trying to stop your wonky eye from giving the game away. Jason Byrne s childhood adventures are nostalgic, heart-warming and, above all, hilarious. ` When you read this you ll realise Jason might actually be the normal one in his family, John Bishop. ` I loved this book so much I wanted to cover it in wallpaper and write to all my pen pals about it! Amy Huberman ` A comedy god, The Mirror. ` Outright king of live comedy, The Times.
