FABER FABER, United Kingdom, 2006. Paperback. Condition: New. Main. Language: English . Brand New Book. I was twelve years old the first time I walked on water . . . So begins Mr Vertigo, the story of Walt, an irrepressible orphan from the Mid-West. Under the tutelage of the mesmerising Master Yehudi, Walt is taken back to the mysterious house on the plains to prepare not only for the ability to fly, but also for the stardom that will accompany it. At the same time a delighted race through 1920s Americana and a richly allusive parable, Mr Vertigo is a compelling, magical novel - a work of true originality by a writer at the height of his powers. A virtuoso piece of storytelling by a master of the modern American fable. The Independent.
