### ***Reviews***

*An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.*

## BOW TIE

Alphascript Publishing Jan 2010, 2010. Taschenbuch. Condition: Neu. Neuware - The bow tie is a men's necktie popularly worn with formal attire, such as suits or dinner jackets. It consists of a ribbon of fabric tied around the collar in a symmetrical manner such that the two opposite ends form loops. Ready-tied bow ties are available, in which the distinctive bow is sewn into shape and the band around the neck incorporates a clip. Some 'clip-ons' dispense with the band altogether, instead clipping to the collar. The traditional bow tie, consisting of a strip of cloth which the wearer has to tie by hand, may be known as a 'self-tie,' 'tie-to-tie,' or 'freestyle' bow tie to distinguish it from these. Bow ties may be made of any fabric material, but most are made from silk, polyester, cotton, or a mixture of fabrics. Some fabrics (e.g., wool) are much less common for bow ties than for ordinary four-in-hand neckties. 132 pp. Englisch.
