Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Ms. Kelly is the second solo studio album by American R&B singer Kelly Rowland. It was released by Columbia Records in collaboration with Music World Entertainment and Sony Music during the third quarter of 2007, beginning with most European territories on June 22. Rowland's first regular solo release in four years, the album was renamed and delayed numerous times prior to its official release. Originally branded My Story and expected for a mid-2006 release, the project was eventually moved to 2007 in favor of a 'multi-tiered marketing strategy' and additional recording sessions. Willard to produce a more personal effort after fast-recorded 2002 album Simply Deep, Rowland contributed nine tracks to the re-worked version, Ms. Kelly, which took her solo work further into urban music markets, involving production by Scott Storch, Polow da Don, Soulshock & Karlin and singer Tank among others. The album scored mediocre commercial success, debuting with the top ten on the Billboard 200 chart, but underperformed internationally, missing the top forty on most charts elsewhere. 116 pp. Englisch.
