## THE ENTITLEMENT CURE: FINDING SUCCESS IN A CULTURE OF ENTITLEMENT

Zondervan on Brilliance Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Today we live in a culture that says, My life should be easy and work well for me. This attitude, called entitlement, influences our most important institutions: family, business, church, and government. Its effects are devastating, contributing to relational problems, work ethic issues, and emotional struggles. At other times they are opportunities where we need to take a risk, such as starting a part-time business, or simply being vulnerable with someone. At still other times they are problems that must...
