Leaving their graves for food, vengeance, or by the command of mysterious powers, the dead walk among the living. Nor is this something new - the dead have walked for ages. Some walking dead are obvious from their appearance, but others could be the normal-looking person sitting nearby. A few might be family members. Or even family pets. Some fall from shotgun blasts just like the brain-eaters back home. Others are much harder to kill. Some can only find rest when they have completed their purpose, and some cannot die at all. Ever.
