Vintage Publishing, United Kingdom, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The New Machiavelli is a gripping account of life inside the bunker of Number 10. In his twenty-first century reworking of Niccolo Machiavelli s influential masterpiece, The Prince, Jonathan Powell - Tony Blair s Chief of Staff from 1994 - 2007 - recounts the inside story of that period, drawing on his own unpublished diaries. Taking the lessons of Machiavelli derived from his experience as an official in fifteenth-century Florence, Powell shows how these lessons can still apply today. Illustrating each of Machiavelli s maxims with a description of events that occurred during Tony Blair s time as Prime Minister, The New Machiavelli is designed to be The Prince for modern times.
