MM Motivating Inc., United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Money seems to be the primary motive for many things that people do, and that is just fine as long as you spend it wisely and make strategic investments. The purpose of this book is to teach you the fundamental principles of financial management. The main thing that you really need to remember is that it is not how much money you make that counts, it is how much you save. It is not the size of your income that will determine your financial well-being over the next 20 to 30 years, it is how you invest the money you make. If you take this financial journey to learn how money multiplies and apply the secrets contained in this book, your bank account, pocket book and retirement savings will thank you down the line!.
