Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

National Geographic Society, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Apples! The word alone makes us think of the fall - red ripe apples falling off the tree as the leaves begin to change. School starts again, apples are given to teachers. Apples are coated in toffee to celebrate the upcoming holidays or boiled into cider to keep us warm around a fire as the summer slips away and colder days set in. In this book, apples aren't just fruit, they're iconic of everything Autumn.
