Life was an adventure as he expanded his knowledge and understanding of God. Hateful and lying people tried to disrupt his life. God s Devine intervention helped him to understand life s major truths. These experiences helped Jerry walk in happiness daily with God. Extensive Bible and engineering education prepared him to develop a scientific theory. His theory in summary states: There is a loving and personal God, His Son and Spirit exist and guide us daily. Jerry s proof used the same method Einstein used to prove his Theory of Relativity. If you desire to have a joy and peace that passes all human understanding, this book will help you to arrive there.
