

Roadbank Stabilization at Low Cost: A Progress Report (Classic Reprint) (Paperback)

By Charles Raymond Hursh

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Roadbank Stabilization at Low Cost: A Progress Report The Appalachian Forest Experiment Station began work on this problem five and a half years ago in the spring of 1934 It seemed obvious from the start that the only practical answer to this problem of anchoring soil was to hasten the natural revegetation of the exposed slopes. The intervening years have not brought forth any better solution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
