

Guiding Principles for Children (Paperback)

By Eric Johnson, Eric Christian Johnson

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is written with the belief that parents have the ability to parent their children, and that children have the ability to be parented. In the Philippines, there is a common phrase that states, Kung gusto mo, may paraan; kung ayaw mo, may dahilan. Translated, this phrase means, If you really want something, you will find a way to make it happen; if you don t really want something, you will find reasons for why it cannot happen. Parents who want to parent will be able to come up with creative and loving ways to be a parent if they really want to be a parent. If parents do not want to parent, they will come up with every excuse they can to not be a parent, and no book will be of assistance. Every child is unique with his/her own personality. Every parent is unique with his/her own personality. This book was not written as a step-by-step or a how-to book because it must be flexible enough to benefit children and parents from every walk of life. Rather,...

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.

-- **Austin O'Connell**

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
