As Catholics, we are called to appreciate both the natural world and human life. The twenty chapters offer prayerful, optimistic meditations and images for reflecting upon Gods creation-the universe, seasons, rainbows and auroras, the earth, mountains and hills, rock, wind, water, ice and snow, lightning and fire, flora, fauna, wings and angels, the human family, stewardship, suffering, death and resurrection. Pope John Paul II, Catholic saints, and scholars of various faiths are quoted upon the mystery of Gods creation, our appreciation of nature, and our roles as servants of one another and caretakers of life and the environment. Twenty-five images are arranged throughout including line drawings of Christian symbols and photos of Gods earth and His creatures. Leaves of Prayer provides a simple and faithful guide to a closer relationship with the Creator and to a greater awareness of our role to protect life as helpful servants...
