Brand New Book ***** Print on Demand *****.This essential guide to coming-out as a non-believer has been written to make it easier for atheists, agnostics, freethinkers, and non-believers of all ages and backgrounds to be open about their non-religiosity while minimizing the negative interactions in familial, social, and professional circles. As a survival guide for non-believers who wish to come out, this book provides advice and resources for those interested in publically rejecting religious dogma as well as real stories from non-believers who have experienced coming-out to less-than-supportive family or friends. Whether you re new to disbelief and looking for the cleanest possible break from your former faith or you re a lifelong atheist who wants to establish a sense of community with like-minded people, this guide provides useful resources including: tips for handling potential conflicts with believers, the author s answers to some of the most frequently asked questions on behalf of believers, and numerous references to support groups, services, and advocacy organizations dedicated to non-theists. From dealing with grief from a secular perspective to handling potential clashes in religious worldviews between significant others, this book offers multiple perspectives from non-religious individuals who have generously shared their experiences to help those atheists who may find themselves in similar situations.
