Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Generation One is the first in a pulse-pounding new series set in the Sunday Times bestselling world of Pittacus Lore's I Am Number Four. It has been over a year since the invasion of Earth was thwarted. Taylor Cook thought of the invasion as just a bad dream. She'd heard about teens who were suddenly developing incredible abilities, but she had never really believed it. Not until the day she discovered she was one of them - a human with Legacies. Now Taylor is being sent off to the Human Garde Academy. A place where teens from across the globe can learn to control their new powers and discover what they are truly capable of. But not everyone thinks that's the best use of their talents. And the teens may need to use their Legacies sooner than they ever imagined. Perfect for fans of Marvel's X-Men and Rick Yancey's The 5th Wave, this epic new series follows a diverse cast of teens as they struggle to hone their abilities and decide what, if anything, they should do with them.
