Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What would you do if one night your best friend told you that they were in love with you? Drue Bishop doesn't have to wonder because, on a weekend camping trip with the boys, Will, his best friend, confessed his love for him. Drue had never considered being with a boy before, but he had always felt tingles for his classmate. Will's confession will be the moment that changes Drue's life? Scot Townson wished he had Drue's problem. Scot's problem is that he is in love with his male teacher and he doesn't know if his teacher loves him back. What will this gorgeous eighteen-year-old do knowing that he is graduating from high school and if he doesn't act fast, he may never see his love again? Both Drue and Scot have destinies. Is it to be with each other or is it to be with someone else? As their lives barrel towards each other like derailed freight trains, what will these two do with the beauty boys who love them and the magnificent men they can't help but love? Written by international bestselling author A. Anders, this prequel is a romance with tantalizing sex and passionate love. If you haven't read A. Anders's standalone Before He Was Famous, this prequel page-turner will sweep you away while revving you up for the steamy M/M/F erotic romance.
