Most people desire the Power, the anointing, the effectiveness that Jesus had but they seem really not to walk in it. As a result, they get frustrated and stop trying, and settle where they are, which is barely enough. A lot has been taught on the love of God, His faithfulness, mercies, forgiveness, power, and people seem to have grasped this so far. The question still remains, what is stopping Christians from living an abundant life? Why is there still so much hopelessness and sin in the world today? This book unravels the missing puzzle, that of the believer s cooperation with the Holy Spirit in allowing us to conform to His image through the process of spiritual growth. The book ties deep key truths necessary for the believer to become effective in doing the good works He created us for. The book will help you set your mind above, and walk in supernatural abilities that will will fascinate you. Your life is about to change in a way you have never imagined possible.
