

Louisiana Conservationist, Vol. 43: January-February, 1991 (Classic Reprint) (Hardback)

By Wade Byrd

FBC LTD, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Louisiana Conservationist, Vol. 43: January-February, 1991 At first glance, the Price Lake Project site appeared somewhat unimposing. There was a large water control structure, equipped with flap gates, fixed weirs and drop gates. To the inexperienced eye it was not unlike hundreds of other water control structures dotting Louisiana's vast expanse of coastal marsh. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
