Excerpt from Shorthand Reporters: A Digest of Statutes and Legal Decisions Relating to Official Stenographers and Their Reports; Being a Thorough and Concise Compilation of All the General Laws, and Important Special Laws, of the Various States and Territories of the United States, Relati A little to one side you will see a silent man sitting at a little table, with pen in hand, who follows each spoken word with swift and noiseless movements, recording impartially the words of wisdom, wit and folly which follow each other in rapid succession. Witnesses come and go, lawyers question and cross-question, object and argue, the Court quietly announces his rulings, one case is ended and another begins; and through it all the silent man writes, writes, writes, unceasi/ngly and with unslackened speed. Few of those who look upon him realize that they are beholding as near an approach to a miracle as unaided human hands and brains have thus far accomplished.
