His most successful work was the short story *The Vampyre* (1819) which was at first erroneously accredited to Byron. In 1816 Polidori entered the service of Byron as his physician and accompanied him on a trip through Europe. Publisher John Murray paid him 500 to keep a diary of their travels which was later edited by Polidori's nephew, William Michael Rossetti, and published posthumously in 1911.
