Blue Apple Books, United States, 2011. Paperback. Condition: New. Tanya Roitman (illustrator). Language: English . Brand New Book. In these first activity books, kids can complete and color all kinds of faces: boys, girls, tigers, monkeys, even ladybugs. At first, toddlers might only draw a circle for a face, not adding eyes, nose, or mouth. But in time, they will fill in the different features, from eyelashes to teeth; from curly hair to whiskers. With bold and bright art, these are ideal activity books for children who have just learned to hold a crayon or pencil. First scribbles and drawings are important, precursory steps to reading and writing!.
