FW Publications Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Who says toys are just for kids? Remember the days when a dinosaur could have a conversation with a cowboy and everything was just fine? And then somewhere along the way someone suggested you put your action figures away and grow up ? Yeah, well, you don't really have to do that. Cause toys are cool. Toy Confidential is here to set matters straight and reawaken your sense of childish wonder (along with maybe just a pinch of snark). * Behold conceited unicorns, sarcastic dinosaurs, and surly mammoths! * Witness insane interspecies antics acted out by toy bunnies, pretty kitties, and rainbow ponies! * Meet a host of hapless super heroes, bumbling spacemen, melodramatic minotaurs and more! With more pop culture references than you can shake an Ewok at, Toy Confidential offers a return to childhood with better jokes. Ever wanted to see Jurassic Park only with skateboards? How about Scarface reenacted by cute pug puppies? Check and check. Grow up? Never!.
